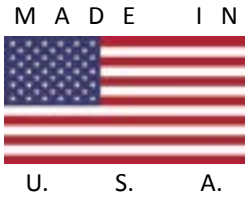
ABOUT UNITED GLOVE

UNITED glove

UNITED WE HAND

Since 1984, United Glove has been your reliable source for industrial work gloves, sleeves, knitted apparel and now protective face masks.

Family owned and operated in Newton, North Carolina we are proud to manufacture many of our products in the USA.



- Our flexible manufacturing capabilities enable us to make a wide variety of styles utilizing the most modern yarns.

- Gloves, sleeves, masks, and apparel that can offer cut-resistance, thermal protection, anti-static, high visibility, stretch fit, and a nearly endless variety of comfortable, protective products for many applications.

- We are especially proud to offer small batch customization of our knitted products so your company name and message can be offered on a large assortment of products.

Our staff is highly experienced, knowledgeable, and ready to serve you.

You can count on us!!

Go to our website www.unitedglove.com for new products, product data pages and our new, downloadable PDF catalog.

Terms Net 30 Days, Minimum Order $100.00, Freight Paid +$1,500.00 orders.
Most major credit cards accepted.

USA MADE CUT RESISTANT STRING KNITS

BUX100

Light Weight Cut Resistant Seamless Knit Glove

- Engineered Yarn Construction
- Resistant to Abrasion, Cut and Tear
- Seamless Knit Cuff for Comfort and Flexibility

BUX220

Medium Weight Cut Resistant Seamless Knit Glove

- Great glove for Metal Handling and Metal Stamping
- Specially Engineered to Wick Away Moisture and to Allow More Air Flow
- Resistant to Abrasion, Cut and Tear

BUX500

Medium Weight Cut Resistant Seamless Knit Glove

- Engineered Yarn Construction
- Specially Engineered to Wick Away Moisture and to Allow More Air Flow
- Resistant to Abrasion, Cut and Tear

UX120

Light Weight Cut Resistant Seamless Knit Glove

- Reversible & Washable for Continued Use
- Engineered Yarn Construction
- Seamless Knit Cuff for Comfort and Flexibility

UX220

Medium Weight Cut Resistant Seamless Knit Glove

- Great Glove for Metal Handling and Metal Stamping
- Resistant to Abrasion, Cut and Tear
- Washable & Reversible for Extended Durable Wear

UX500

Medium Weight Cut Resistant Seamless Knit Glove

- Engineered Yarn Construction
- Resistant to Abrasion, Cut and Tear
- Reversible & Washable for Continued Use
- Colored Wrist Edging for Easy Size Identification

APPLICATIONS: Automotive, Construction, Forestry, Glass Handling, Inspection, Janitorial, Landscaping, Lumber Industry, Manufacturing, Material Handling, Mining, Oil and Gas Industry, Recycling, Road Maintenance, Sheet Metal Industry, Textile Industry, Utilities

Proudly Made in the USA

WUX110

Lightweight Cut Resistant Seamless Knit Glove

- Engineered Yarn Construction
- Seamless Knit Cuff for Comfort and Flexibility
- Reversible & Washable for Extended Durable Wear
- Resistant to Abrasion, Cut and Tear

SPG1050

Medium Weight Cut Resistant Seamless Knit Glove

- High Performance Synthetic fibers
- Seamless Knit Cuff for Comfort and Flexibility
- Resistant to Abrasion, Cut and Tear
- Washable for Continued Use

GA317

Lightweight Cut Resistant Seamless Knit 100% Kevlar® Glove

- Cut & Heat Resistant
- Washable & Reversible for Durable Wear
- Continuous Knit Cuff for Comfortable Fit

GA10-326-10

Medium Weight Cotton/Kevlar® with Extended Cuff

- 100% Kevlar® Material
- Cut and Heat Resistant
- Continuous Knit Cuff for Comfortable Fit and Protection.
- Washable & Reversible for Longer Wear

GA10-326-PD1

Light Weight Kevlar® with PVC Dots on 1 Side

- 100% Kevlar® Material
- Cut and Heat Resistant
- Colored Wrist Edging for Easy Size Identification

CGA326LC

Cut Resistant Cotton/ Kevlar® Glove

- Kevlar® Exterior/Cotton Interior
- Continuous Extended Long Knit Cuff for Comfortable Fit and Protection
- Washable & Reversible for Durable Wear

APPLICATIONS: Automotive, Construction, Forestry, Glass Handling, Inspection, Janitorial, Landscaping, Lumber Industry, Manufacturing, Material Handling, Mining, Oil and Gas Industry, Recycling, Road Maintenance, Sheet Metal Industry, Textile Industry, Utilities

G3504

Heavyweight Grey Blend Seamless Knit Terry Cloth Glove

- Fully Reversible and Ambidextrous for Durable Wear
- Terry Loops Provide Insulation From Heat
- Knit Wrist Cuff Keeps Out Debris

G3604

Heavyweight Grey Blend Seamless Knit Terry Cloth Glove

- Fully Reversible and Ambidextrous for Durable Wear
- Looped Pile Provides Softness and Padding
- Machine Washable for Prolonged Wear

GSG368KW

Terry Loop Out Cut & Heat Resistant Seamless Knit Terry Cloth Glove

- Engineered Yarn construction
- Added Kevlar reinforced Thumb Crotch
- Resistant to Abrasion, Cut and Tear
- Launderable for Prolonged wear
- Terry Loops Provide Thermal Protection

HM18BKS

Hot Mill Nap-Out Glove with Knuckle Strap

- Double Palm Construction
- Nap-Out Finish Palm for Improved Grip
- 3" Band Top For Easy On and Off
- Knuckle Strap Provides Added Protection For Back of Hand

HM24

Hot Mill Nap-Out Glove with Knuckle Strap

- Medium Weight 24 oz Cotton Canvas
- Double Palm Construction
- Nap-Out Finish Palm for Improved Grip
- 3" Band Top For Easy On and Off
- Knuckle Strap Provides Added Protection

HM28G

Heavy Weight Hot Mill with Burlap Lining

- Fits Smaller Sized Hands
- 4 1/2" Heavy Canvas Gauntlet Cuff for Wrist Protection
- Nap Out Hot Mill Construction
- Heavy Weight Cotton Canvas For Extra Protection

APPLICATIONS: Automative, Construction, Forestry, Janitorial, Landscaping, Lumber Industry, Manufacturing, Material Handling, Mining, Oil and Gas Industry, Recycling, Road Maintenance, Sheet Metal Industry, Utilities, Welding

UX18SF

Suspender Single Ply Level 3 Sleeve

- United Glove proprietary material provides excellent cut resistance
- Washable for Extended Wear
- Specially engineered to wick away moisture and to allow more air flow

UX18ST

Single Ply Cut Resistant Sleeve with Thumb Hole

- United Glove proprietary material provides excellent cut resistance
- Single-Ply sleeve provide the cut protection of a two-ply sleeve
- Breathable Cut Level 4 Sleeve with Thumb Hole
- Specially engineered to wick away moisture and to allow more air flow

UXG18DT

Double Ply Cut Level 4 sleeve with Thumb Slot

- United Glove proprietary material provides excellent cut resistance
- Double Ply Construction. Comfortable and formfitting
- Breathable Cut Level 4 Sleeve with Thumb Hole
- Specially engineered to wick away moisture and to allow more air flow

UXP18SF

Cut Resistant Suspender Single Ply Sleeve

- United Glove proprietary material provides excellent cut resistance
- Single Ply Construction, Cut Resistant
- Suspender construction stays up on the arm
- Specially engineered to wick away moisture and to allow more air flow
- Washable material can be used over and over without compromising performance

APPLICATIONS: Automotive, Construction, Forestry, Glass Handling, Janitorial, Landscaping, Lumber Industry, Manufacturing, Material Handling, Mining, Oil and Gas Industry, Recycling, Road Maintenance, Sheet Metal Industry, Textile Industry, Utilities

CuTEC N-MASK

Seamless 3D Form-fitting Mask With Copper CuTEC® Technology

- Copper CuTEC® inhibits bacterial growth for the wearer
- Manufactured using Copper CuTEC® technology
- Knit-In Filter Pouch to hold added filtration media / fabric
- Light weight construction
- Seamless 3D Form-fitting construction
- Mouth & nose cover, Washable and Reusable
- Available in Ladies, Men, Kids
- **Made in USA**

CuTEC GAITER

Seamless 3D Form-fitting Gaiter with Copper CuTEC Technology

- Copper CuTEC inhibits bacterial growth for the wearer
- Manufactured using Copper CuTEC technology
- Light weigh construction
- Seamless 3D Form-fitting construction
- Washable and Reusable
- Available in Ladies, Men, Kids
- **Made in USA**

P-Mask

Pleated Reusable 100% Polyester Face Mask with anti-microbial fabric treatment

- Pleated construction for extra comfort
- Covers Mouth & Nose
- Reusable 100% Polyester Face Mask is comfortable, soft and will not irritate the skin
- Elastic ear loops
- Anti-microbial fabric treatment is machine washable for up to 15 wash cycles

USFLAG-MASK

3-Ply Lightweight Polyester Reusable Face Cover, BFE>95

- Polyester pattern printed outer layer
- Washable filter middle layer
- Moisture-wicking inner layer
- Sewn-in metal nose bridge
- Chin-fold design
- Adjustable ear loop
